

ART4ACTION ONLINE AUCTION

We are fast approaching the Art4Action auction Sunday June 14th at 3pm! To make things easier we thought you might appreciate some guidance on 'how to bid'.

How to bid:

1. **First of all** you will need to go to the Easylive Auction Art4Action website and register to bid. We recommend you opt for the £3 flat rate registration fee. To get to the website you can follow the links from here www.purbeckartweeksfestival.co.uk or go straight to the site <https://www.easyliveauction.com/auctioneers/art4action/> and click on auction catalogue.
2. **If you are not going to be there for the 'live' auction on Sunday at 3pm but would like to place a prior bid**, please go into the catalogue and click on the artwork or Lot Number that you'd like to bid for. You will then see, on the right hand side, a **'place auto bid'** box. You will need to enter the maximum amount you want to bid. If you are prepared to go beyond this amount then click the appropriate number of increments. As in any auction the increments start small (£2, £5 etc) and will increase with the price. If no other bid exceed yours then you've won!
3. **If you want to bid 'live'**, then please log on at 3pm. When the auction starts the **'bid live'** buttons for each Lot will come up. Malcolm Lewis is our auctioneer, when the auction starts you will hear his voice (no image), and he will move from Lot to Lot starting at Lot 1.

Good luck!

PAW Art4Action team
