## Welcome to Purbeck Art Weeks 2019!

It's hard to believe that a year has passed since our last Purbeck Art Weeks Festival. Once again we are offering an exciting array of open studios, superb concerts and interesting talks in local venues throughout Purbeck. You will find much to entertain, amuse, educate and stimulate.

A good place to start your visit is at our collective exhibition in Rollington Barn. Here you can plan your art trail whilst enjoying delicious refreshments in the café. Our Festival theme is 'Flights of Fancy', inspired by the 500th anniversary of Leonardo da Vinci's death this year; a highlight will be the concert by I Fagiolini exploring links between his art and vocal music of the time. And there is lots more – come and find out what makes Purbeck's artists fly.

Buy some raffle tickets and perhaps win some art of your choice, or surprise yourself and have a go at sketching – you may even win a prize!

Details of all that's on offer can be found in this Brochure and our Events Programme. Tickets for concerts and other events can be booked online at [purbeckartweeks.co.uk](http://purbeckartweeks.co.uk); they are also available at Swanage and Wareham Tourist Information Centres.

PAW prides itself in showing the wealth of talent that exists in this beautiful part of the country. Come and enjoy it with us!

**Charlotte Heath**, Chair, Purbeck Art Weeks Festival

Our winner for the cover of this year's Brochure is Emily Burns for her work entitled 'Danaus The Butterfly Queen'. Congratulations Emily!

# Foreword

## FROM THE FESTIVAL PRESIDENT

As Festival President I have had the pleasure of doing the Foreword for the Festival Brochure for a number of years, but I cannot recall a year when the country has been more divided, and people more concerned about the future. Never has there been a greater need for the inspiring and enriching influence of the arts in all their various forms. The young people who take part in this year's Purbeck Art Weeks Festival will grow up and work in a different world.

In this uncertain environment the Festival is a wonderful, reliable, ever constant event celebrating the talents, achievements and skills of the young and not so young giving them a platform to exhibit their works to a diverse and enthusiastic audience. One might say that PAW provides a welcome oasis of calm, tranquillity and creativity in an otherwise turbulent country.

Much praise must go to the organisers who, yet again, have undertaken the complex task of putting on an exciting and adventurous set of exhibitions and events at diverse venues in the beautiful Purbeck countryside. I greatly look forward to visiting the Festival this year and seeing what everyone has contributed to this wonderful event. I know there will be the unexpected, the fabulous, the bizarre, the thought provoking and the beautiful; I can't wait.

# ROLLINGTON BARN

Open daily 10.00 to 5.00  
FREE entrance

Rollington Barn hosts PAW's collective exhibition showcasing the fantastic range of creative talent on show across Purbeck; sculpture, paintings and jewellery rub shoulders with ceramics, prints, photography and greetings cards. Artwork can be purchased and taken away on the day. We accept cash, cheques and most credit and debit cards.

Rollington provides a mere hint of what can be discovered by visiting our Open Studios. It's a unique opportunity to meet our artists in their studios – where you will find a warm welcome in those often less known hidden corners of Purbeck.

A large map on the barn door can help you plan your route around all the Open Studios and Events venues. There is information on the full range of concerts, talks and films taking place in the evenings

together with free Brochures and our more detailed Event Programme (£2).

**Buy your raffle tickets and PAW sketchbook here! Also keep a look out here and on PAW social media for information on informal lunchtime gigs at Rollington.**

## YOUNG ARTISTS & COMMUNITY ART

Encouraging and celebrating art created locally by young people is at the very heart of PAW. Every year we involve around 500 **Purbeck Young Artists** (PYA) in schools across Purbeck in creative activities. Students are encouraged to develop artworks on the festival theme which this year is 'Flights of Fancy'. The workshops have been coordinated by Helen Biles and we are most grateful for all the work she and her team of artists have put in over many months. The range of workshops span metalwork, cyanotype, rust printing, stone carving, 3D, dance and animation. You can see the inspiring results at Rollington Barn. We are delighted that even more schools are interested this year – and that we have been able to expand the number of workshops to eighteen.

Thanks to the Festival Friends and all those acknowledged later in this Brochure for supporting our work with young people.

We also support **community art** made by young people in the community. Projects that you might like to visit include: **The Wareham Library Garden Mural**, **The Sea Life Stone Bench** alongside the garden path overlooking Swanage pier and the **Stone Obelisk** outside Burngate Stone Carving Centre. And don't miss the **Three Ceramic Murals** on Swanage sea front.

# THE EVENTS

As a full arts festival covering the performing as well as visual arts, we are delighted to attract international as well as local stars and to mount a programme of events that we hope appeals to all tastes and ages. The following pages summarise what is on offer while our Events Programme gives more detail on each event and, where possible, the texts of what will be sung. You can buy the Programme for just £2 at Tourist Offices and selected shops in Purbeck and, of course, at all the events.

Thanks to generous sponsorship and to our growing body of Festival Friends, we are able to offer tickets at prices which are much lower than the price in London or other major centres. Indeed virtually all of our events are open to students and young people at just £2 a ticket. We hope this means that as many as possible can have access to and enjoy what is on offer and be encouraged to even greater artistic heights!

Because we want to work with and inspire as many as possible across our communities, three of our visiting artist groups will open their rehearsals to anyone who has bought a ticket for their evening performance. At each musical event the lead musician will also introduce the programme to be performed. So do join us, and we look forward to welcoming you at our events.

## ARTHUR MEADE'S *LANDING OF THE DANES IN DORSET* ILLUSTRATED TALK BY GWEN YARKER

**Thursday 30th May | 7.30pm**

**EVENT VENUE** **E**

Harman's Cross Village Hall BH19 3EB

Tickets: £10 adults, £2 students

Gwen Yarker will talk about this spectacular painting by the British Impressionist Arthur Meade. The painting shows the extensive panoramic view towards Poole Harbour with Viking longships sailing off the coast of Swanage. It was judged one of the most important pictures exhibited at the Royal Academy in 1898. Meade spent summers in Dorset and was the foremost influence on Dorchester born painter John Everett.

**Gwen Yarker** was curator of art at the National Maritime Museum and gave an illustrated talk at the PAW Festival in 2016 to a sell-out audience on her book about the Slade Painters who painted in Purbeck around 1900 to 1914.

This talk sets the Meade painting in this wider context.

## THE ART OF THE COUNTERTENOR WITH MARK CHAMBERS, CONOR HASTINGS (CORNETT) AND TOBY CARR (LUTE)

**Friday 31st May | 7.30pm**

**EVENT VENUE D**

St James' Church, Kingston, BH20 5LL

Tickets: £20 adults, £2 students

This programme explores several key elements of music making from the 16th and 17th centuries. As with modern day jazz musicians, instrumentalists and singers were well known for their improvisations and embellishment which were essential techniques in musical performance, both sacred and secular. The combination of cornetto and human voice was extremely popular in the 16th and 17th centuries. At the height of its fame, the cornetto reigned supreme; adored by composers and audiences alike not only for its virtuosic rivalry of the violin, but also its unique ability to mimic the human voice. This recital uses this combination along with the lute to create an intimate colour pallet.

**Mark Chambers** has performed all over the world with some of the leading orchestras and ensembles. He will also include a couple of folk songs in his programme.

## LEONARDO DA VINCI 500TH ANNIVERSARY I FAGIOLINI

Probably the greatest polymath of all time, Leonardo was also a musician and revered music as the only serious rival for his divine 'science' of painting. Marking the 500th anniversary of his death and the legacy of this forward-thinking 'Renaissance Man', I Fagiolini combine art, music and science in this project with Leonardo expert Professor Martin Kemp. Inspired by Leonardo's relentless curiosity, the programme explores some of his best-loved images through the prism of music by Tallis, Howells, Victoria, Bach, Monteverdi, Rubbra, Janequin, Daniel-Lesur and Josquin des Prez. The images will be projected in the Priory Church.

**I Fagiolini** is renowned for its innovative productions. Under its inspirational director Robert Hollingworth, the group has been applauded in Purbeck for its performances of Monteverdi's *Orfeo* and Monteverdi: *The Other Vespers*. **Martin Kemp** is Emeritus Professor in the History of Art at Trinity College, Oxford University. He has published numerous books including a prize-winning one on Leonardo da Vinci and has broadcast extensively.

## PROSPERO'S BOOKS A FILM BY PETER GREENAWAY

**Wednesday 5th June | 7.10pm**

**EVENT VENUE** 

The Rex Cinema, Wareham BH20 4JX

Tickets: £8 adults, £2 students

This film reflects the Flights of Fancy theme of our Festival. It is a 1991 British avant-garde adaptation of Shakespeare's *The Tempest* written and directed by Peter Greenaway. Sir John Gielgud plays the part of Prospero, the conjuror of dreams and orchestrator of the actions. He provides the off-screen narration and the voices of the other story characters. The film is cinematically innovative and combines mime, dance, opera and animation. There is artistic nudity and cross references to Dutch paintings and the Leonardo sketch books. The music is by Michael Nyman.

## WRITING AND ILLUSTRATING CHILDREN'S BOOKS WITH RACHEL BRIGHT AND BEVERLEY NAIDOO

Thursday 6th June | 7.30pm

EVENT VENUE **E**

Harman's Cross Village Hall BH19 3EB

Tickets: £10 adults, £2 students

*"I've always loved stories. They are windows to other worlds. A good story doesn't tell you what to think. But if I can hook you in, maybe you'll find yourself compelled to think, feel, imagine... and to begin a new journey of your own."* Beverley Naidoo

**Beverley Naidoo** lives in Bournemouth but was brought up as a Jo'burg girl "when South Africa was one of the world's most openly racist countries." She started writing in exile in England and her first novel *Journey to Jo'burg* was banned in South Africa. The novel is "a universal story where two children, faced with great injustice, do something very brave as they try to save their little sister". Beverley sees each novel as a new journey where huge challenges are thrown in the paths of the characters involved.

**Rachel Bright** lives on a smallholding in Wareham forest with her partner and two daughters. She trained in graphics at Kingston University and then took a Master's Degree in printmaking at the University of the West of England. Her striking illustrative and typographical style, coupled with her witty storytelling, have resulted in an award winning

and ever-growing collection of picture books. Her titles have been translated into 14 languages and she was World Book Day illustrator for the UK in 2014.

## MIRANDA FULLEYLOVE AND MANON MORRIS AT ENCOMBE

Friday 7th June | 10.15am arrive  
for coffee, 11.30am recital

EVENT VENUE 

Encombe House, Kingston, BH20 5LW

Tickets: £30 No admission on the day without a ticket.

Priority will be given to the Festival Friends.

Please park as directed by the stewards. From the parking area you can then enjoy the lakeside walk to the house (transportation can be provided if required).

**Miranda Fulleylove** (violin) and **Manon Morris** (harp) will talk about and perform the *Fantaisie Opus 124* for Violin and Harp by Camille Saint-Saëns (1835–1921), a ‘surprise’ short solo harp piece and a violin and harp arrangement (by David Powell) of the fabulous *Libertango* by Astor Piazzolla (1921–1992).

Miranda Fulleylove’s interests as a violinist span the baroque to the contemporary. She is the inspiration behind our winter series of Chamber Music in Purbeck Houses where she also introduces the music to be performed by herself and her friends.

Manon Morris enjoys a varied career and is much in demand as an orchestral player, chamber musician soloist and session player. She appears regularly in concerts, tours and recordings with orchestras including the BBC Symphony Orchestra, Philharmonia Orchestra, London Sinfonietta and English National Opera Orchestra.

We are most grateful to James and Arabella Gaggero for their generous hospitality.

## FLIGHTS OF FANCY THE ENGLISH CORNETT & SACKBUT ENSEMBLE

**Sunday 9th June | 6.30pm**

**EVENT VENUE** **B**

The Priory Church of Lady St Mary,  
Wareham BH20 4ND

Tickets: £20 adults, £2 students

**Rehearsal:** Those who have bought tickets for the evening performance can sit in on part of the rehearsal in the church from 3.00pm. Please bring your ticket to gain admittance.

Buffet Supper: a pre-concert buffet supper provided by **The Salt Pig** is available at the nearby Community Café from 5.45pm. A vegetarian quiche, two salads, a pudding and drink can be booked only on-line for just £11.

We are delighted that the ECSE are able to return to close our Festival with a programme that reflects the overall Festival theme.

During the 16th and 17th centuries composers enjoyed writing pieces that would surprise, baffle and delight both audiences and musicians. This programme is full of twists and turns, featuring birdsong, church bells, echoes, chromaticism, battles, a sonata that never cadences and an *In nomine* in which the musicians are (deliberately) out of time. All you can expect from this programme is the unexpected...

The **ECSE** is a virtuoso period instrument ensemble with a host of distinguished recordings to its name. They have delighted audiences at our previous Festivals and this year bring a chamber organ and virginals to augment their timeless haunting sounds.

- Encourage all artists of all capabilities across our communities to work together

We keep Friends informed of our plans and send Newsletters so you can plan in advance. As part of the Winter 2018/19 series we thank Dr Philip Mansel, Norman Hayward, Susannah and Bruce Selby Bennett and Bill and Moira Purver for allowing us to make music in their homes at Smedmore, Creech Grange, Slepe Green and Steppes Hill.

## THANKS TO OUR TRUSTEES & VOLUNTEERS

We value all who are members of our charitable company and especially those who serve as our Trustees and on our various working groups. We rely on such volunteers and remain rooted in our local communities. If you would like to help us in any way, please do get in contact with any of our artists at their studios or at our collective exhibition at Rollington Barn, or our volunteers at any of our events. We are a community based organisation serving people in Purbeck.

We hope we in turn provide good value and deliver on the projects we undertake. We print around 25,000 copies of our Brochure and this is distributed far afield. Our Events Programme is also highly regarded and, along with the Brochure, is kept as an interesting work of reference and enjoyment. Our Website and Facebook similarly have an extensive reach, and with events such as our series of Chamber Music in Purbeck Houses, we maintain an exposure throughout the year. Sponsors appear in our Brochure, Events Programme, on the web and also against specific events they are supporting where we may have additional programme notes.
